

**Kid's Sewing Camp**  
**August 1-3 1:30-4:30p.m.**

**Week 1 Tea Anyone?**

This week we will be making various projects for home decorating or entertaining.

**Students need basic sewing kit: see second supply list required.**

**Supply list:**

Fabric requirements:

4 fat quarters, flannel or cotton

1 ¼ yard cotton fabric for apron

¼ yard muslin for foundation and backing

Therma lamb batting or cotton Warm and Natural

Ribbon or lace trim for decoration on top of tea cozy

Bias tape single fold (complement color) 2 packages, one for apron, one for pot holder

Thread to match fabrics

**\*Each Student must have a sewing machine in good working order.**

**Fabric coaster**

Using the flannel pieces we will layer them together with a muslin backing, then trade flannel squares with our new friends for a variety of flannel layers. Sewing them all together with rows and then cutting between sewing lines creates a fun deco fabric coaster.

**Apron**

This project will teach you how to make a running baste stitch, a hem stitch and a waste band. This fun and easy waitress apron will make entertaining fun for any age.

**Pot Holder/Tea Cozy** (depending on sewing level)

Using a pretty fabric, and muslin or neutral coordinating fabric we will put together a quick pot holder with bias binding.

Advanced: We will make a reversible tea cozy with a bias loop on top.

We will have a couple of patterns, Cathy's cozy, or Cordy's cozy to choose from that will fit your own tea pot.

**Kid's Camp**  
**Basic Sewing Kit**  
**Supply List**

Sewing Scissors

Seam ripper

Seam Gauge

Pin Cushion

Pins

Tape measure

Hand sewing needles

Thread: 100% cotton, off white or light grey

Bobbins: multiple to be wound for each of your projects

Spare sewing machine needle

Container to hold all supplies
